ABOUT US

WCIEC was established with the vision of guiding aspiring medical students toward global opportunities in medical education. Over the years, WCIEC has built a strong reputation for helping students secure admissions in top medical universities abroad, particularly in Kyrgyzstan

Today, WCIEC stands as a trusted name in international medical education, empowering thousands of students to fulfill their dreams of becoming successful doctors.

Key Milestones

Awarded by President of Kyrgyzstan

Growth – Started with a mission to simplify the MBBS admission process for international students.

Founding Universities – WCIEC proudly owns and operates 5 world-class medical universities, providing top-quality education, modern infrastructure, and global career opportunities for aspiring doctors.

FMGE/NExT Coaching – Introduced specialized coaching programs with top FMGE faculties, helping students achieve remarkable pass percentages.

Student Support & Scholarships – Launched scholarship programs and expanded student support services, including hostel, mess, and cultural events.

Recognition & Awards – Our universities were honored with the Best University Award in Kyrgyzstan, a testament to our dedication to providing world-class education and fostering global medical professionals. Our achievements continue to inspire future generations of students to reach their highest potential.

Mr. Pradeep Tiwari

WCIEC PRESIDENT

President Message

Our students train at top global universities with modern facilities and hands-on experience, shaping confident and compassionate doctors. With WCIEC, you're not just choosing an admission partner—you're choosing a family that supports you every step of the way.

With Warm Regards,
Mr. Pradeep Tiwari
President, WCIEC

Dr. Fayaz Ahmed

DIRECTOR OF WCIEC INDIA

Director Message

At WCIEC, we believe no dream should be left behind. Every aspiring doctor deserves the chance to pursue medicine, and that's why we provide not only admissions guidance but also scholarship opportunities—so financial challenges never stop talent from shining.

With Warm Regards,
Dr. Fayaz Ahmed
Director of WCIEC india

OUR MISSION

At WCIEC, our mission is to provide the best learning environment for students studying abroad. We ensure a homely atmosphere, making students feel comfortable and supported throughout their journey. Our goal is to help them excel in academics, clear licensure exams with confidence, and build a successful medical career. By shaping future doctors, we strive to make their parents proud and contribute to global healthcare.

Our 5 Prestigious Campuses

Our universities are located in the safe and peaceful cities of Manas City and Osh, Kyrgyzstan, providing a secure environment for students. These cities offer a comfortable and welcoming atmosphere, helping students feel at home while pursuing their medical dreams. With modern infrastructure, world-class facilities, and a strong academic culture, our campuses ensure an excellent learning experience and an environment for growth. Choosing WCIEC universities means studying in a place that truly feels like a home away from home.

FMGE/NEXT Coaching Excellence

At WCIEC, we provide top-tier FMGE/NEXT coaching with expert faculty, ensuring students are well-prepared for their medical licensing exams. Our structured curriculum, regular mock tests, and personalized mentorship help students achieve high success rates, often on their first attempt. With a proven track record of excellence, we are committed to guiding future doctors toward a successful medical career.

Top Faculty

WCIEC brings in renowned FMGE/NEXT faculty, including experts like Dr. Deepak Marwah, to provide high-quality coaching. Their expert guidance, exam-focused approach, and proven strategies help students clear their exams with confidence. With interactive sessions and doubt-solving, students receive the best mentorship available.

Indian Books & Study Material

We ensure students have access to standard Indian medical books, aligning with FMGE/NEXT syllabus requirements. Our universities provide well-curated study materials, notes, and guides to enhance learning. This ensures students study with the best resources and stay ahead in their preparation.

FOR CURRENT SESSION

Best FMGE/NEtT Results

Every year, WCIEC consistently delivers the best FMGE/NEtT results, with students excelling in their exams. A majority of our students pass on their first attempt, thanks to our expert faculty and structured coaching. We provide Indian books, 24x7 library access, and regular mock tests to ensure top-notch preparation. Our commitment to excellence continues to help future doctors achieve success with confidence.

Hospital Practice

Many believe that MBBS universities abroad lack proper hospital training, but this is far from the truth! At WCIEC-affiliated universities, every campus has its own teaching hospital, providing hands-on clinical exposure from the early years of study. Students learn directly from real patients, gaining practical experience just like in top medical universities worldwide. We ensure that our students graduate as skilled, confident, and globally competitive doctors!

Scholarships & Opportunities

WCIEC believes in rewarding merit and hard work through exclusive scholarship programs. Every year, we offer scholarships to deserving students based on their performance in our entrance exams. These scholarships help reduce financial burdens and make quality medical education more accessible. Our goal is to support talented students in achieving their dreams of becoming successful doctors.

WCIEC: Fulfilling Dreams, Not Burdens

At WCIEC, we believe that dreams should never be limited by money. Every aspiring doctor deserves a chance to achieve their goals, and we are here to support them every step of the way. Through scholarships and financial assistance, we ensure that no student is left behind due to financial constraints. Your dream is our mission, and your success is our pride. Together, we build a future where passion meets opportunity.

”

At WCIEC, we are committed to helping students clear their licensure exams by providing a supportive learning environment, well-equipped libraries, skill-enhancing events, and stress-relief activities. With the best FMGE/NExT faculty, most of our students achieve success in their first attempt. Our structured approach ensures academic excellence while promoting overall well-being.
